Church Unity in One Town

"Proctor, Vermont, has solved the problem of church unity, one union church housing the representatives of all the Protestant denominations," writes Rev. F. E. Davison, in Suburban Life for November. "Proctor is a cosmopolitan village, and there is, in consequence, a gathering of nationalities like that in Jerusalem on the day of Pentecost. These people come from the uttermost parts of the earth, and that they are influenced by this model church is seen that in the membership are to be found English, Welsh, Manxmen, Hungarians, Swedes, Germans, and Spanish, besides native born Americans. Yet they live together in unity. The Sunday school enrolls, beside those already mentioned, Italians, Poles and Finlanders; and the parish includes, with this heterogeneous aggregation, Norwegians, Bohemians, and doubtless other nationalities."

Our Overcoats

Our Overcoat Stock is the pride of our store. We've all the season's correct models and they're masterpieces of elegance and luxury!

The superiority of the fabrics—the style and the tailoring are apparent at a glance. The best and only truly satisfactory way to make an Overcoat selection, Sir, is to try on the different models to ascertain which style is the most becoming to you.

We're Always at Your Service!

Our prices are moderate—just as they should be, but it will not be wise to let any advertised price of an Overcoat influence you one whit until you see the Coat. It's quality that makes for value, not figures.

May we take up the Overcoat question with you, Sir?
